CONTENT: FAN VEIL - a veil and a fan combined. Fan Veils will be available for sale in the Oasis Boutique in advance of the workshop, at the June Hafla and in the studio the day of the workshop!

Bronwen will show you tips and tricks for manipulating and moving with the fans, and using them as an extension of your body and your dancing, not just a prop! Some use of regular veils will be incorporated as well as a full warm up, drill to get your heart rate up and a relaxing, stretching cool down. You will leave having learned some great combinations for adding Fan Veil to your dance and a choreography incorporating them! Please bring a veil and foot wear such as sandal soles, dance sneakers, ballet slippers or socks as we will be learning technique for basic turns.
