How did you hear about this class?

** Providing the studio with a contact email enables the studio to communicate with you about the classes you are taking, including but not limited to updates, coupons, promotions, and other such offerings, etc.

** Providing a phone number, preferentially a cell phone number enables us to add it to the TellBlast program we offer when **time critical** dissemination of information such as class cancelation due to weather or illness is necessary. Email is not an effective way to communicate quickly. TellBlast is the BEST way to be notified of changes to your class before you drive to the studio, if at all possible.

No marketing is done with this phone number. The Oasis NEVER sells or distributes its students contact info outside the studio for ANY reason.
