

The products listed here are professional quality dance poles – not cheap poles like those found in novelty stores. These products are guaranteed by their respective manufacturers to be safe when installed and used properly. Some poles are available in two diameters: 50mm and 45mm, the poles at Kira's Oasis are 50mm.

Lil Mynx Dance Pole – www.lilmynx.com/dancepoles.php

Lil Mynx Removable Dance Poles are professional grade dance poles, made in the USA. Uses a bolt-in mount (that stays in your ceiling) unlike other poles that rely solely on friction to hold the pole in place.

- For your safety while practicing they offer a 42 x 42 x 43 safety mat.
- Lil Mynx Dance Poles are used in gyms world wide that offer pole dance classes. Also used in many pole fitness studios.
- It can also be ordered with a bearing assembly that allows the pole to rotate freely for easy spin moves. It's like 2 poles in 1!
- Poles come in powder-coated in red, pink and black or polished stainless steel.

X-Pole – www.xpoleus.com
